

# SCOTT MASON PHOTOGRAPHY

*My name is Scott Mason and I am a nature photographer who lives in Cedar Rapids with my wife and 2 teenage children. I have always loved photography. I detasselled corn when I was 14 years old to make enough money to buy my first camera and lenses.*

*Photography was a hobby that I shared with my father, and now I have passed the passion for it on to my children, who have taken a great interest in the art. I especially enjoy photographing landscapes and wildlife - at home here in Iowa, and also while travelling.*
